

# PEAKWARE STUDIO

#webuildwhatwewannaplay

## An Indie GameDev Studio in the heart of Bangkok, Thailand

### ABOUT US

At **Peakware Studio**, we're inspired and committed to create games that will be regarded as great art pieces.

We ensure an open & empowering community to ensure each of us goes beyond our potential

We believe in making games that are unique, artistic and deeply meaningful

### WHO DO WE NEED

We are working on our first game and our workload is increasing as we progress along our production.

We need a full-time

### 3D Generalist

capable in  
**3D Animation & Rigging**  
to join our team and our production journey.

### REQUIREMENTS

If you love playing video games, are flexible & detail-oriented, open to learning and feel comfortable to work with foreigners...

Send us an email with your CV and portfolio!

*Local Thais only please*

*New graduates are most certainly welcome 😊*
